Please, forward to Chastain, Pastor.

Hi Chastain,

Thanks, for sparing some time and allowing me to offer my services as a Pastor in residence. Like, I mentioned in our conversation I am open and willing to fill in the gaps in church services and serve both the lord and the lay. I am convinced that the lord and lay are both better served, by the church offering daily prayer services and other necessary just services as, pantry and supplies to keep the christian spirit and expand the love of the lord to ourselves and the lay.

Please, pray to the lord and share my prayers with other church leaders, elders and lay. I give myself to the lord.

Thank you,
Rakesh.
